

Email Notifications

 **PURPOSE:** To follow actions related to your Plans through your regular email

You will automatically receive notifications via your email (the one that you use to login to the ClassBright system) whenever one of your Submitted Plans has been *Accepted* or had a *Revision Request*. You will also get a notice for each New Comment.

HOW TO: You can opt-out of receiving these email notifications by modifying your Settings. From your Dashboard's Quick Links section, click **Change Settings & Password**. Unmark the checkboxes for which you no longer wish to receive emails. You can change these Settings at any time. Click **Save Changes** button to save new Settings.
